PINK STAR

A close-up photograph of a 'Pink Star' Calibrachoa flower. The petals are a vibrant magenta-pink with a darker, almost black, star-shaped pattern in the center. The center of the flower is yellow.

LIGHT PINK KISS

A close-up photograph of a 'Light Pink Kiss' Calibrachoa flower. The petals are a pale pink with a darker pink, star-shaped pattern in the center. The center of the flower is yellow.

CALIBRACHOA

A diagram showing four different Calibrachoa flower colors arranged in a diamond shape around a central white diamond. The colors are Pink Star (top-left), Light Pink Kiss (top-right), Pink (bottom-left), and Purple (bottom-right). The central white diamond contains the text 'CALIBRACHOA' and 'CABARET'.

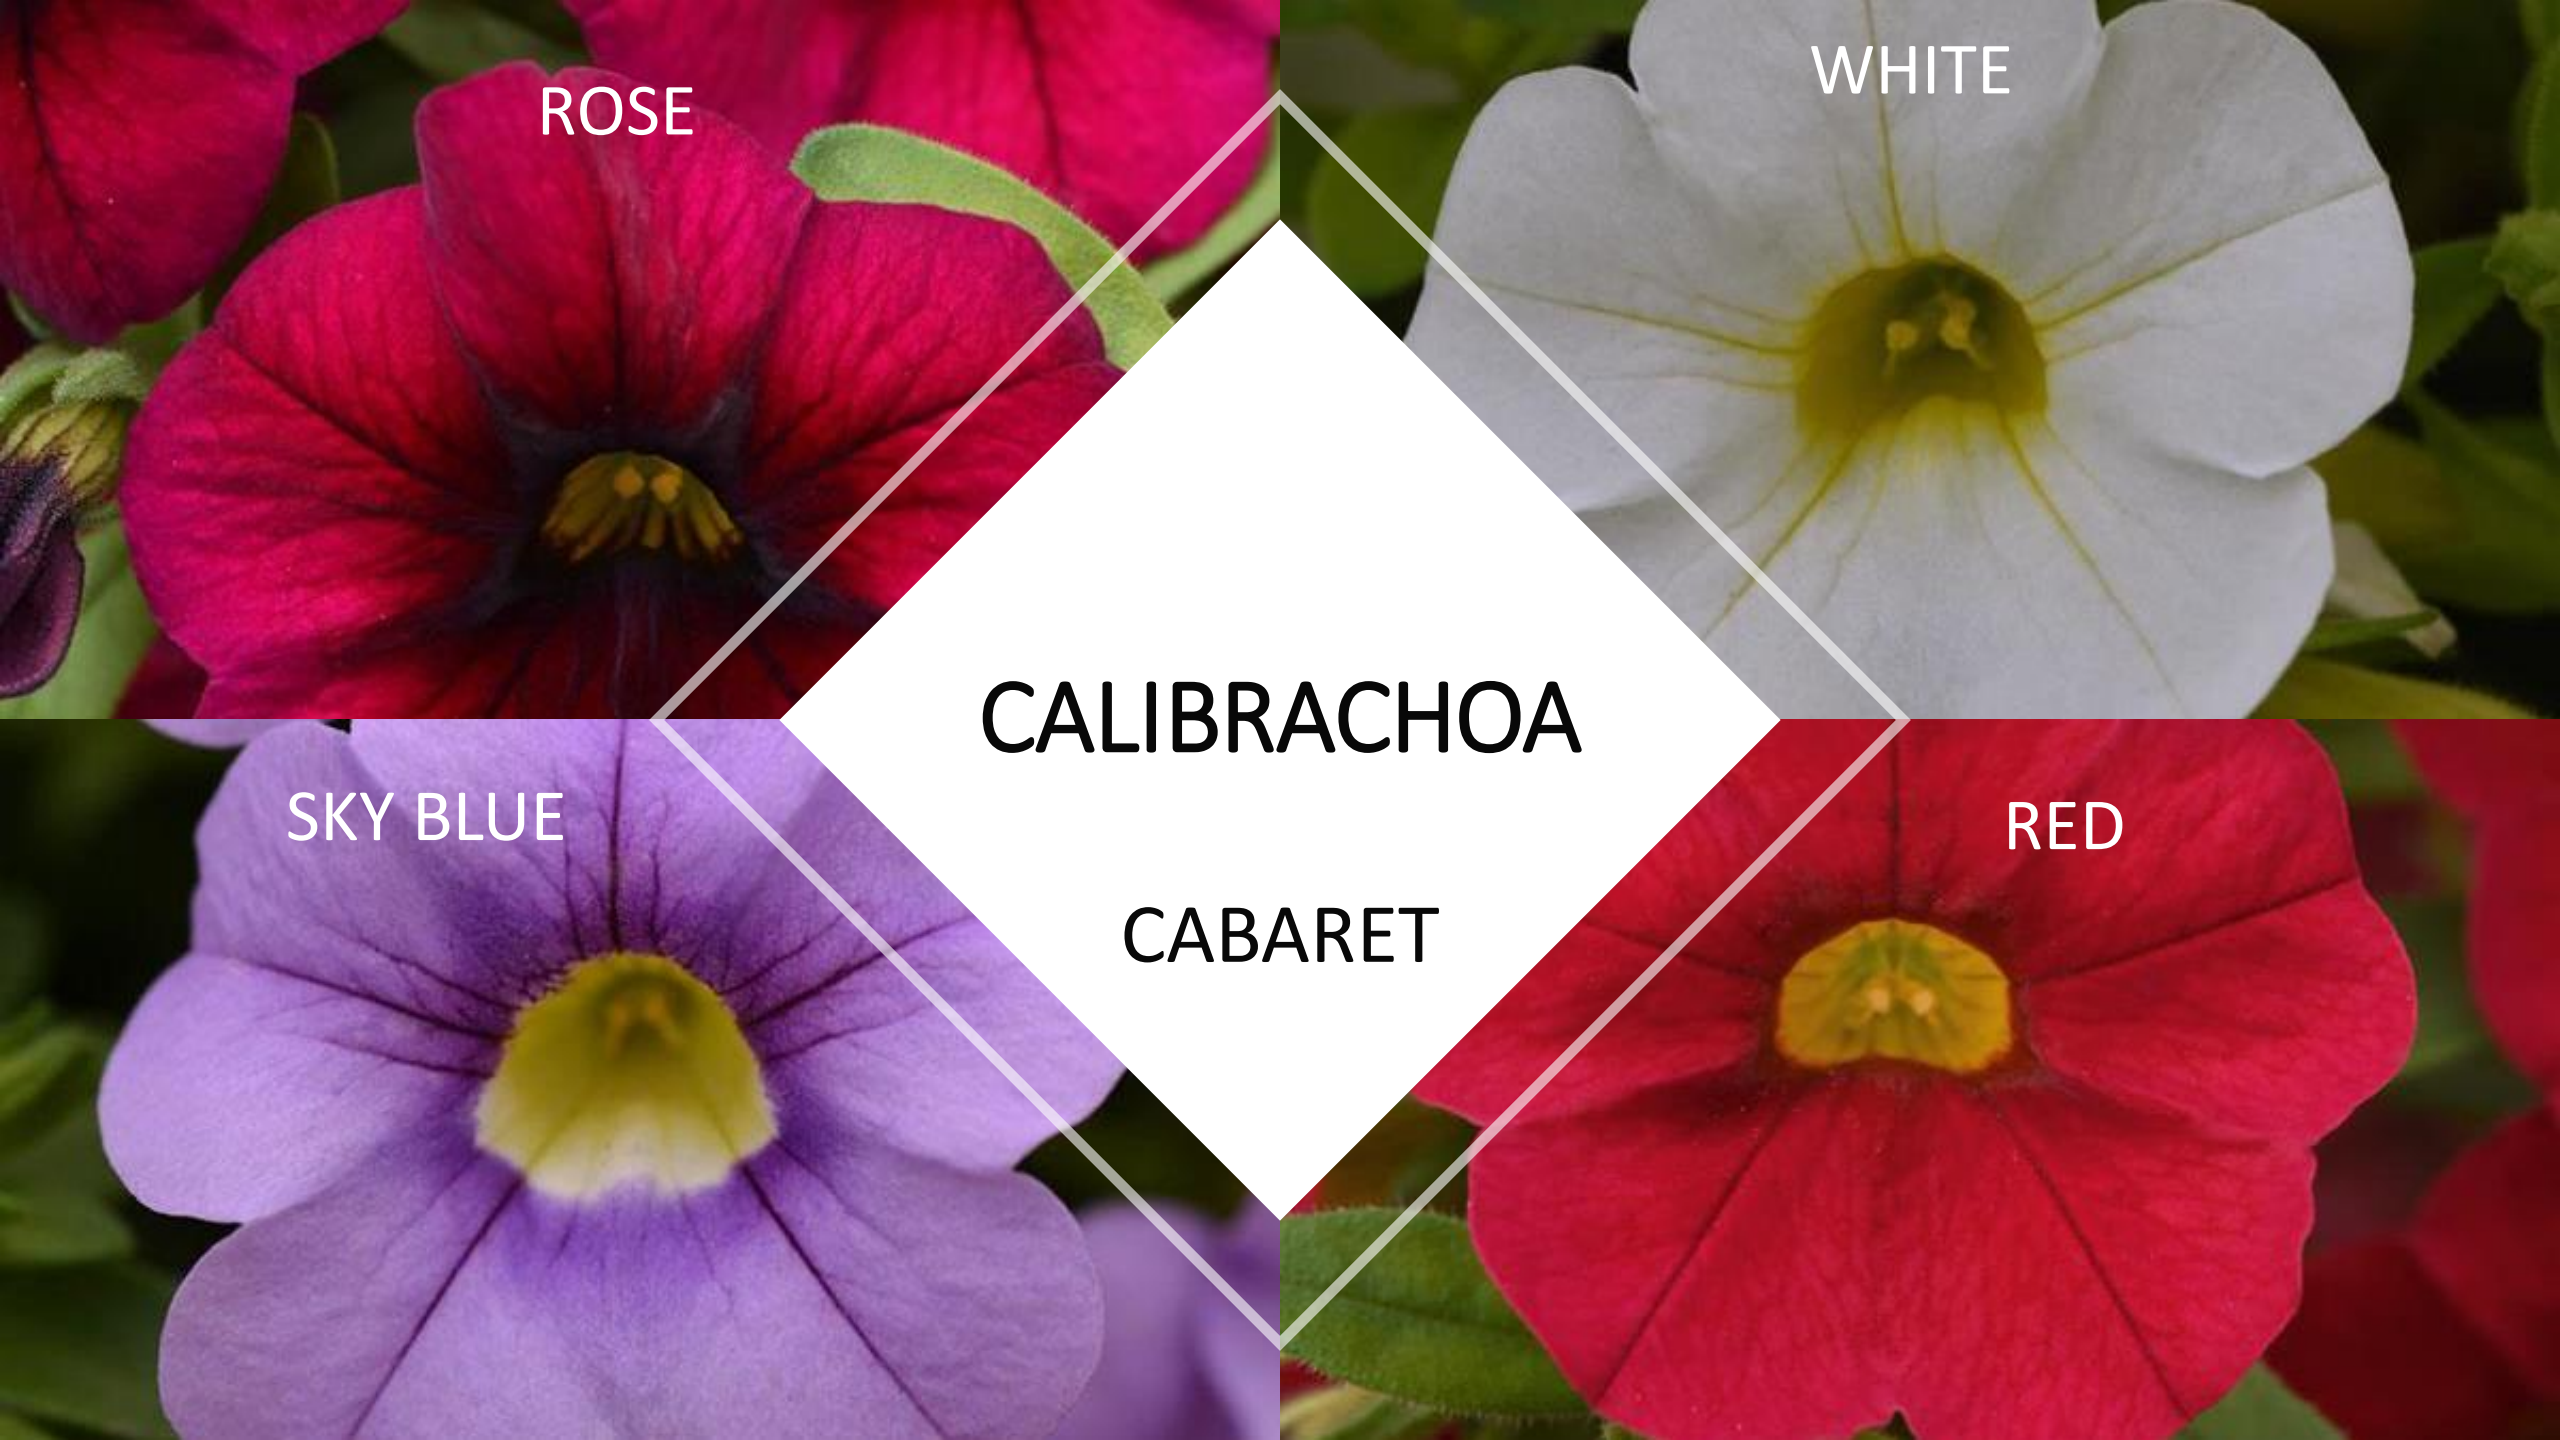

PINK

A close-up photograph of a 'Pink' Calibrachoa flower. The petals are a solid, vibrant magenta-pink. The center of the flower is yellow.

PURPLE

A close-up photograph of a 'Purple' Calibrachoa flower. The petals are a solid, deep purple. The center of the flower is yellow.
